Sexual exploitation on professional women, less salary, more laboring, become of the without giving other profits psychology of direction in women inferring, insulting and self-respect insult all these things are in this condition it is fact that women experience of criminal emotion and become of psychological discuses. In all this thing, in human-right women bearing unjustified for that by united nation government of various countries, private institutions.

Understanding given and have written in the report of remedies. In whole report women security is the challenge full question for the society than also it for that social and psychological reasons understanding and remove it in execution suggestion remedies then women security and human right will become incident of hope and faith.

INTROGUCTION

Women protection in today scientific age why use this idioms? Today society is not warring for female security and female positively.

Today female exploitation bounding are spread at the she question is that is female born only for the living by male maid securest? What all caste, religion and hermitage or in society women is live in the condition or dependent and protected? What even today, women have got rights got rights or equality and independent?

Why women are worshiped as a divine form? In the form of beloved why she is women heart full? Women is divine form is reddish, women is down, women is evening women is sweet mother yet why construct women human right for family security. These all question are related to women's UN-security for that into, world-court for female security by lawfully war for female protection doing work.

proclamation is not enough. After the acceptance proclamation of proposition in 1979 one international understanding is adopted by generally meeting. Which is known as the proclamation to remove all type of discrimination ageist women? This understanding is one of the most modern documentation in the world spread human right which is clear the international rule in there documentation thirty rules and it's sub-rule are included

In 25th June 1999 with permission of leaders of 171 countries on human right world-argument for world conference and vise's proclamation was adopted. These proclamation related women and children's human right is the one UN-different internal and undivided part of sovereign human right. National field on international level citizen, political, economic, social and in cultural life Women's are equal and partnership and

Remove all type of discrimination on the support of male-female is the primary purpose of international multitude. In world conference government difference institution, semi-government and by private association challenge for the spread attempts from women and children's human rights protection and to take care. In the international conference In Hahira in 1994 also, women's child getting rights and re-thought for women development rights. In December 29th in 1997 women political watch named private association with the help of united-nation and national women foundation world parliamentary conference was organized in Delhi to encouraging female's partnership in authority and gradually made it very strong. It was the main purpose.

WOMAN RESERVATION AND HUMAN RIGHT DEFINE

In is necessary to known the women reservation. It is made by means at protection and its means that doing any right or arrange the security reservation words vastness is all the field. But we have limited subject in women reservation in the context of past and present condition.

Human right means that life freedom male-female equality and right related with person status.

According to the proclamation international agreement by I.C.I.S.C.R 16th December 1996 or united nation high conference economic, social, cultural, political rights which are the human right getting without any tired or discrimination. Which have got lawfully security by the medium of court?

Fourth world conference which has finished in Beijing of china in 1995, in it the comparison of male, women have forced on the needs of equality. In our country also for women reservation 1962, 1966, 1995, 1996, 1997 for human right in the different state of country panchayat, legislative assembly, parliament and social organizations for need women reservation and on it use constant long controversy.

After the much background of women security and human right, it is necessary to known the reason of female security needs. In the context of female security and human right united nation and challenge of different country and after the clear role of documents 1)domestic violence 2) abortion 3) female's their rights 4) professional women's security and human right these problem and usage of it revelations. It will necessary it meditate it.

WOMEN'S DOMESTIC VIOLENCE

To root out of the violence against the women. According to displayed in international register violence against proclaim women. Domestic manners and also proclaim security against violence condition before marriage in their house, in family also women bear lot of cruelty, tyranny and UN-human able behavior in their own family by family member bear pain. UN-bearable bitter sentence by mother in law and sister in law, and sister in law, downy related violence, incidents or beating by husband, sexually remote areas women in house and in own families because push on law level. In house women because victim of unbearable behavior and binding on molding role of prepuce and custom. Sometimes more than physical beating this mentality tenseness condition hazarding it in society. As a results of live by misery and worried. By holder of house, without family marriage age in couple. Because of poverty in house or of middle income. Women have getting less need like food, health, education, training, opportunity of job and other necessitating. It is also the incidents or inter-caste marriage then women have house to kill or doe which type of condition is research to the extremity then women have finished their line by the way of suicide or to run the way or to run away. Against the nations law also child-marriage, rape curtain custom condition etc. domestic violent challenge are not less. Over-limit tense full atmosphere in house to table the women and medicine to the way which is not accepted by society and social cultural sight Mable the victim or fact-fully emotion. In the proclamation or united and vie given the attention towards this serious incidents by law and court to presence entirely for women security.

REMEDIES OF DOMESTIC VIOLENCE PREVENTION

- 1) To table in mind the changing form or society and not discrimination forwards girl.
- 2) Respect emotion and love will crate to ward house women by sister-in-law, mother-in-law and grand mother-in-law.
- 3) Female is not maid servant of house, she will also feel thing fully social and cultural freedom.
- 4) To root out bad, usage and custom which are prevail toward women in society.
- 5) Women have also honoring by economic and social-freedom.
- 6) Free the women from bad usage and downy-custom which in house and profession.
- 7) Where women are worshiped there gods are playing, wife's, sister and daughter rank will have respectful.
- 8) To count women as equal as male and give the equal rank to the women in house and profession.
- 9) All the person of house see toward women by sympathy love and respectful emotion and free her form all the difficulties which have seen.
- 10) Female education is less in it government society and elder of house educated the women to remove it.
- 11) For domestic violets law was made in 2005. Advertise this law warty by all India radio, television and newspaper.
- 12) For the domestic violence resistance constructive laws by eluder, police-officer and social. Work gives people the awareness programmer.

FEMALE INFANTICIDE (ABORTION)

It is the responsibility of declaration on the elimination of violence against women to root out the most hourrible and it give by united nation. India female is live with trust.

Inter quarrelsome of house and because of the man's dirty psychology by the blow of character attack women condition because worried painful.

- In which condition female infanticides occur?
- In house regent women will give the birth to son or daughter by it test if she will give the birth to the female baby then in some families go against the mother's wish and does the abortion.

Saarth

- Sometime by marriage in small age and because presentment check by test that is female baby then it is force toward the abortion.
- By excite full serials or today television girls and boys studying in school and colleges enjoyed sex and to hide go to the way of abortion.
- Sometimes by the social worker, political leader, religious saint, professions of school-collage deceive the innocent women and lead towards the sexuality. And then after known about pregnancy to save the status force mentality for the abortion or kill the pregnant girl.

Journey minister said in parliamentary that prostitute or UN-married pregnant women counted them criminal and punish where women self-respect is broken presenting it and said form the strong female security.

Whenever helpless girls for livelihood are also sexual exploited by the boys and also after become pregnant live far then also showing the abortion. Figures or agents are also not lees in society for this type or bad works. Agents conceive the innocent girls and for their own self entrapped in the depth or cruelty. In this condition without abortion there is no any way for girls.

By the medium or films, pictures, T.V serial sexuality become powerful and girls and boys become the victim or mentality. Freedom or body is the other side or minds freedom in women powerfulness and security unsocial female sexual relation will become painful for women

Abortion prevention remedies

- 1) By embryo test women's towards female child killing to stop by the sensible educated doctors for that continuing convincing program.
- 2) Poor and laborer women become pregnant and talks about removing from girl's development center women powerfulness or women reservation foundation, and get improvement in it.
- 3) To take the female education high, society and family start first from it removed or decreasing the abortion.

Saarth

ISSN NO: 2395-339X

- 4) In school, collages by life related activity Cox-comb boys and girls, getting self-control' create this type of environment.
- 5) Girls more studying married late, become self-supporting, and wish small family. In is necessary.
- 6) Conservative thinking prevails in house, bad-custom, autocracy etc. Horace from all these things women invite abortion, these will miss-behaviors.
- 7) These will come lawfully prohibition on sexual serial telecasting from T.V then saving the boys and girls from the unsocial sexual relations.
- 8) By the medium of newspaper, magazine radio, T.V female infanticide is UN-physiological, UN-cultured horrible wound on girls self-respect which type news, songs, role play, presenting and table on a positive way.
- 9) About this instant law are in the favor of female security. But however escape window occur in it etc doing investigation of laws prevent abortion.
- 10) To prevent physical or mental cruelties on women by influential method, doctor field, government field, social-field and in the field of different organization also serious controversy and thinking and there will contract the plans and enforcement it.
- 11) Daughter also remove form wearing the cloths which disobedient the boys sexual, fashion and from the half-nude dance in various parties then these type of creating less?
- 12) Woman performance will growth in economic field then step proportion of these mistake girls which is does by the poor in the helpless condition.
- 13) Live face from the discrimination of boys and girls run this programmer. Gijubhai never believe in it that discrimination in the son and daughter very strong this psychotically attitude in society.
- 14) Connect brothers in women programmed for it, increasing the awareness about women's problem.

15) Male and female needs self-control controlling towards sexual-sensation. Responsibility to carry out dramatize role. Boys and girls morally accepting the society established.

FEMALE SECURITY AND THEIR RIGHT

When controlling the female security and human right then female their point is also become attention able. In our society as of fatherly-ancestral property give supremely only to the sons but it is women glaring and right break. By united nation and by government equal part their right.

This law breaking is also seen in society. If women play lawfully fights then they have also got all their right. For parents affection towards son or daughter love, affection and their right not discrimination will be then it must be remove.

In our country India society construction is father-dominated. That is way in father's property only son's prevails not of daughters. But in proclamation human right (1948), international document proclaim letter or side convincing or vie in women also have their. United nation also in proclamation in fatherly property without any type of discrimination give lowly form to their rights for that.

- 1) After the send back of daughter parents will have not without their right.
- 2) Daughter where her marriage took place their economic condition many be not property their right will become oblige them in happiness, prosperity and in mental-security.
- 3) In 1956 in article 6th and 30th the laws of Hindu their only have count as hires, these articles have canceled.
- 4) Hindu have right of doing all properties testament that is why only Hindu men can get right on property. As a result of it female, children are canceled from the testament men will have done all properties article have also canceled.
- 5) In abortion for female their also reference that article two will cancel.

Saarth

ISSN NO: 2395-339X

- 6) Hindu women aborigine women, Muslim women, Christian women for all of them their right in 1956 interpreter the application which about it and also given the judgment in the feature of women.
- 7) Government, society and family Halle accepting this women lawfully their right and execute it seriously.
- 8) If parents, elders, under-stands this patience, it will be give their right them in society dowry custom and other bus-custom and other are other are also stopped.
